

Alta Pro Exclusive AmTrust Cyber Coverage

ABOUT THE PROGRAM

The Alta Pro Exclusive Non-Admitted AmTrust Cyber program offers superior coverage underwritten by Associated Industries Company, AmTrust Group, rated A- Excellent, financial size XV by A.M. Best. We believe that getting the coverage you need should not be complicated. We offer a simple bind process designed to make getting you the coverage you need easy and fast. No online rating needed and no application required for coverage. Our Cyber Program is based on revenue and clearly lists your coverage options on our one page quote letter. Simply select the coverage options you choose, sign the quote letter and receive the policy within 24 hours. It's really that simple!

COVERAGE AND LIMITS

We believe you should have choices when it comes to coverage and our program was designed to give you just that. We offer three limit options from \$250K to \$1M and deductibles of \$2,500 to \$5,000.

Our coverage gives you the piece of mind you need. The AmTrust Cyber coverage program includes coverage for Ransom Payments, Data and System Recovery, Business Interruption, Breach Response Services, Cyber Deception, Bricking Coverage, Reputation Harm, Cryptojacking, Cyber Theft, Social Engineering and more.
